

An aerial photograph of a group of people walking on a paved sidewalk. The sun is low in the sky, creating long, dark, and distinct shadows for each person. The shadows are cast in various directions, suggesting a mix of walking patterns. The people are dressed in casual attire like t-shirts, jeans, and backpacks. The overall scene conveys a sense of movement and community in an urban environment.

What makes for **effective** analysis?

Thinking about neighborhoods, of course...

Course Format and Expectations
